

TV Evening

Situation:

It's evening, you are in the living room and you want to watch TV.

Target Group:

People, who watch TV.

Setting:

Living room, bed room.

Themes:

- Turn light on when you stand up, turn TV off, ...
- Dim light when you watch TV.

TV Evening

"It's quarter past eight. You are on the couch and want to watch TV. But you forgot to turn the lights off. So you have to get up again.

After turning the lights off you have to get back to the couch, but it's dark now. So you probably stumble upon something."

Notes:
